

# Pool Guidelines

(Please share these guidelines with your group before arrival at Silver Spur.)

Pool – The Lifeguard at the pool has complete authority in the pool area. Lifeguards and Silver Spur staff are the only ones authorized to have the combination to the pool locks. **Lifeguards have the authority to ask anyone, including adults, to leave the pool area if they are behaving in an unsafe manner.**

1. No one is allowed in the pool area without a certified lifeguard on duty (facility crews are exempt).
2. **Pool and Waterslide Swimsuit Policy**  
Silver Spur strives to provide a safe, family-friendly atmosphere at all times. To help accomplish this goal, only modest swimming apparel is allowed at Silver Spur. If a participant is wearing a 2-piece swimsuit that does NOT cover the midriff, we ask that they put a colored (not white) tank top or t-shirt over their swimsuit. If the camper does not have a shirt to dedicate to water activities, Silver Spur can provide one. Tankinis that cover the midriff are acceptable. The lifeguard and waterslide attendant maintain the right to reserve judgment regarding wearing a shirt or shorts over a swimsuit.
3. No climbing on or over the pool area fences.
4. No food or drinks are allowed inside the fenced pool area.
5. No running inside the fenced pool area. Those who violate this rule may be asked to leave the pool area.
6. **No diving.**
7. No dunking or horseplay. No pushing or throwing anyone into the pool.
8. No playing with the lifesaving or pool cleaning equipment.
9. Please DO NOT take items from the recreation bag into the pool area. This shortens their life span significantly.
10. Pool lights must remain on whenever the pool is open after dusk.
11. Please make sure the GATES are LOCKED when finished in the pool area.

# Camp Clean-up Procedures

## for Guest Groups

Please help us keep Silver Spur clean! If everyone pitches in, the job will be a quick and easy one. Thank you!

### **Sleeping Rooms**

1. Tilt bunk bed mattresses on their sides and leave tilted. Clean all paper, etc. out from under the mattresses, and deposit in the trash. Look for any 'lost and found' items that may have fallen beneath the mattresses.
2. Sweep cabins thoroughly, including under the bunks and clothes racks. Deposit refuse in the trash can. No mopping is necessary, as the camp staff will take care of this. Remove all signs and banners from inside and outside of buildings and deposit in the trash.
3. Be sure to check for any personal belongings left in the bathrooms, as well as in the cabins.
4. Replace broom and dustpan back in the rooms when the clean-up is completed.

### **Restrooms**

Place any trash that may be on the floor into the waste can.

### **Meeting Rooms**

Remove all personal belongings and pick-up trash

### **Grounds**

Pick up papers and trash from around the buildings, recreation areas, amphitheatre, field, along the creek and parking areas, and deposit in the trash. Be sure to check for personal belongings left on the grounds. Bring "found" items to the Lodge.
